

ADOPT A TRAIL

The program aims to:

- Augment financing provided by Measure B the voter approved Landscape Maintenance District, all funds from program sponsors and volunteers also known as adopters are used for the program and trail system maintenance only.
- Provide a venue for volunteers to help Clayton maintain and enhance its trail network
- Make the trails cleaner
- Celebrate the sponsors and volunteers that help Clayton keep the trail network one of the distinguishing characteristics of our community
- Foster civic pride through volunteerism, philanthropy, and cleanliness

The Trails and Landscape Committee has initially identified 11 trail segments to adopt. Each segment has a financial adopter and a clean-up adopter. Besides paying the every two year fee (\$1,000 for financial adopters and \$200 for clean-up adopters), clean-up groups must identify a leader/contact person and complete the attached form. Adopters are recognized on their trail segment with a name plaque on a trail marker. Markers are installed at the time a financial sponsor is found for that trail segment.

Segments are assigned on a first-come, first-served basis. Adopters wanting recognition on the trail markers must also provide information that conforms to the city design specs for the markers.

If you are interested in participating in this program or would like additional information please contact Committee member **Christopher Garcia** at email: chrisLgarcia@hotmail.com
